

GESTAIR ONE

Jet Card Programme

BE ONE

Discover a new way to travel

Are you a frequent flyer? Gestair ONE is the new card with which our customers can simply fly, with full access to all premium services.

We analyze your travel habits and frequencies in order to adapt Gestair ONE to your needs, considering your frequent destinations, number of passengers per flight, days of travel, among others.

As no two customers are the same, we have developed a flexible product that adapts to you, a ONE product.

No last minute surprises

With Gestair ONE Jet Card you only pay in advance for the flight time and cabin type you have chosen. You will have the convenience of having aircraft previously chosen with a previously granted credit, optimising your costs and making them predictable.

An adapted and adjusted price, with no surprises or changes. It is the option specially designed for our ONE Customers.

Gestair ONE,
a card that adapts
to you
